1. INTRODUCTION TO SAVE THE CHILDREN

SCI is the world's leading independent organisation for children. We save children's lives; we fight for their rights; we help them fulfil their potential. We work together, with our partners, to inspire breakthroughs in the way the world treats children and to achieve immediate and lasting change in their lives. Our vision is a world in which every child attains the right to survival, protection, development and participation. We do this through a range of initiatives and programmes, to:

- Provide lifesaving supplies & emotional support for children caught up in disasters.
- Campaign for long term change to improve children's lives.
- Improve children's access to the food and healthcare they need to survive.
- Secure a good quality education for the children who need it most.
- Protect the world's most vulnerable children, including those separated from their families because of war, natural disasters, extreme poverty or exploitation.
- Work with families to help them out of the poverty cycle so they can feed and support their children.

2. EXPRESSION OF INTEREST DETAIL

As part of the ongoing situation in the region, Save the Children is interested in exploring alternative supply routes for aid to be distributed into Gaza. One option is for the shipment of goods into Cyprus which are then transported onwards via a sea route to Gaza.

Save the Children is launching this Expression of Interest to gain a better understanding of the market and to get a better understanding of what supply options exist. We are inviting both existing and prospective suppliers to submit their interest.

Depending on the situation in Gaza and Save the Children's chosen strategy, a follow up procurement activity may be initiated to formally select and contract with suppliers. For the avoidance of doubt – this Expression of Interest will not directly lead to a Contract and is for informative purposes only.

3. SUBMISSION FORMAT

Suppliers wishing to express interest and share details of their capabilities, should do so by completing the 'Bidder Response Template'. This template has been specifically created to allow suppliers to provide the relevant information in the easiest / most simple format.

The document should be submitted via email to procurement@savethechildren.org. In the subject of the email, please clearly reference the Expression of Interest using the code *EOI/MENAE/KITS/2024/001* and also your organisation name.

4. SPECIFICATIONS

For a full list of the goods which Save the Children is interested in, see the 'Bidder Response Document'. We have deliberately not provided detailed specifications as we are open to understand all viable supply options. Therefore, please provide information relating to which specification of product you think is most appropriate.

For the avoidance of doubt, Save the Children is interested in suppliers who can supply either all or some of the goods listed. If you are only able to provide certain categories of items, and not the full list, this is acceptable.
